

15 GCMS of PVCs

Author: Tienpont, Bart; David, Frank; Vanwalleghem, Freddy; Sandra, Pat

Year: 2001

Title: Pyrolysis-capillary gas chromatography-mass spectrometry for the determination of polyvinyl chloride traces in solid environmental samples

Journal: Journal of Chromatography A.

Volume: 911

Pages: 235-247

Notes: PVC compounds by GCMS

Author: Charlier, Corinne; Dubois, Nathalie; Curcchiaro, Severine; Plomteux, Guy

Year: 2003

Title: Analysis of Polychlorinated Biphenyl Residues in Human Plasma by Gas Chromatography-Mass Spectrometry

Journal: Journal of Analytical Toxicology

Volume: 27

Issue: 2

Pages: 74-77

Notes: no copy

Author: Nexiri, A.; Rastall, A. C.; Vukovic, Z.; Mijovic, S.; Marku, E.; Erdinger, L.

Year: 2005

Title: Identification of POPs in lake Shkodra/Skadar using biomimetic SPMDs and GC-MS analysis

Journal: Journal of Environmental Protection and Ecology

Volume: 6

Issue: 3

Pages: 532-537

Notes: no copy

Author: Cajka, Tomas; Hajslova, Jana; Kazda, Radek; Poustka, Jan

Year: 2005

Title: Challenges of gas chromatography-high-resolution time-of-flight mass spectrometry for simultaneous analysis of polybrominated diphenyl ethers and other halogenated persistent organic pollutants in environmental samples

Journal: Journal of Separation Science

Volume: 28

Issue: 7
